Dear Messrs. Lorrying and Jensen:

Re: Notice of Intention to Commence Small Mining Operations, B and J Placer Claims, SM/015/041, Emery County, Utah.

Thank you for your Notice of Intention to Commence Small Mining Operations received by the Division June 8, 1988. The application is complete and no additional information is required at this time.

This approval is good for the duration of your mining operation. Should you wish to expand your operations beyond the five-acre limitation, please notify this office as soon as possible to avoid unnecessary delays.

The State will require that you file an Annual Report of Mining Operations (enclosed) on or before January 31st of each year. The report should be filed whether the mine is active or inactive.

Thank you for your cooperation. When in the area a member of the Division staff will examine the site. In reply, please refer to your file number - SM/015/041.

Sincerely,

Holland Shepherd
Soils Reclamation Specialist
